100 Days for Hunger and Wellness
In Indianapolis – May 15, 2009

**Revelation – Revolution – Revenue
For the benefit of**

www.elca.org/hunger

From May 13-August 20, 2009, three ELCA pastors from the WV-WMD Synod, will put foot to pedal and seat to saddle to travel over 13,000 miles on a custom-made bamboo "triple" ... a bicycle built for three.

What are we asking of the Synod and ELCA Congregations?

- * Keep us in your prayers.
- * Help us generate excitement for this cause in your Synod.
- * Collect funds "above and beyond" current World Hunger contributions and forward to In-Ky Synod office by May 8, 2009

Revelation.... Support this church in communicating our God-given opportunity and responsibility to provide for those less fortunate so that all may have adequate nutrition to sustain life and wholeness.

Revolution.... Stimulate synod hunger communities and local congregations to formulate and implement realistic plans to eradicate hunger in our lifetime.

Revenue.... The goal of this ride is to support ELCA World Hunger Appeal in reaching its goal of \$25 million annually for ELCA World Hunger. We believe this exciting venture in ministry can raise \$5 million.

Jesus said, "Go and do Likewise" Luke 10:37
