What E-Connect (Ecumenical-Connect) is:

- A congregational transformational ministry process which involves both spiritual and structural transformation
- An outgrowth of the Connect process developed by the Indiana-Kentucky Synod, Evangelical Lutheran Church in America (ELCA)
- An ecumenical ministry in Indiana and Kentucky, comprising the ELCA, The Episcopal Church, the Presbyterian Church (U.S.A.), and the United Church of Christ
- A process made possible by a Lilly Endowment Thriving Congregations Grant

What It's About:

- Connecting with Jesus, one another, and the world by lining up the congregation's purpose, identity, and mission with God's vision and plan
- Renewing your congregation by linking the gifts that God has given you with God's vision for the world
- Celebrating and using what you have, rather than lamenting about and focusing on what you don't have
- Finding energy, purpose, and direction through God's work — prayer, conversation, and faith practices
- Navigating change calmly, confidently, and effectively

Who Shares the Journey:

- Congregations who ground themselves in Bible study, prayer, discussion, and action-reflection as they engage in a two-year transformational ministry process to live out the Gospel of God's vision for the world
- Mentors who walk with each congregation during the process, actively listening and asking appropriate questions to keep the process on track
- A congregational E-Connect team who is named and blessed, consisting of the pastoral leader and four to seven (4-7) congregational leaders whose commitments and caring for the congregation are well demonstrated

How It Works:

- *Getting Started* — The congregation's elected leaders and pastoral leader decide to participate, assemble a team, designate a team leader who is not the pastoral leader, gain congregational support, and sign the Transformational Ministry Covenant provided to them in preparation for the four training events (called "Links")

Submit team leader and members' names with email addresses and the Covenant to Carol Webb, Administrative Assistant for E-Connect: e-connect@iksyod.org

- *Training Events* — The congregation will engage with a cohort of congregations in four (4) Links (training events), about six months apart. A detailed schedule will be provided to registered teams
- *Looking Back, Looking Forward* — In this session, scheduled six months after Link 4 training, the congregation, with the mentor and others, looks back at their journey and makes plans for continuing their momentum, energy, and transformation into the future
- *Cost* — \$75 per congregational team for each of the 4 Links. All materials, accommodations, meals, and mileage are covered by the Lilly Endowment Thriving Congregations Grant
