

Inspire. Ignite. Invite.

Launch into this Spiritual Renewal Process of the Indiana-Kentucky Synod which meets congregational participants where they are on their spiritual journey while encouraging experimentation and growth.

Goals of this process:

Growing into a people of God who:

- Clearly identify the presence of the Spirit
- Eagerly tell our shared story as the body of Christ
- Follow the Spirit to new frontiers
- Are transforming for service to God and neighbor

Desired outcomes:

As we live into the IN-KY Synod Mission Statement – Empower, equip and encourage each other to make Christ known – members of congregations in the synod will:

- Grow in their connection with God in their spiritual walk
- Recognize the work of the Spirit in, through and among congregational members
- Share stories of how they have seen and experienced God (Father, Son and Holy Spirit) at work in their lives, in their congregations and in the world
- Articulate their faith
- Develop comfortable ways to share Jesus with others
- Talk about how Jesus makes a difference in their lives

Commitments:

Participation in this spiritual renewal process will involve time, prayer, devotional practices, and a willingness to grow spiritually:

- Attend a monthly evening Zoom meeting
- Individually engage in action steps in-between Zoom meetings
- Consider writing a devotion for an Advent devotional that will be shared with the synod.
- Be opened to perceiving and participating in the Spirit's work in and through you, the congregation, and the world

Cost and Registration:

- There is no monetary cost to participate in Inspire. Ignite. Invite.
- In order to register for participation, please contact Pastor Nancy Nyland, Director for Evangelical Mission (nnyland@iksynod.org)
